Forecast for Saturday 18 Nov 2023

Weather: Overcast conditions with rain and drizzle in the morning, especially over the highest peaks, through the afternoon generally drier conditions with some sunny spells at times. In to the evening a risk of showers passes over the region with a risk they could turn heavy and possibly thundery.

Chance of cloud-free hill tops above 600m: Almost nil chance through the morning, improving to 60% in afternoon.

Low cloud and visibility: Low cloud covering most slopes during the morning with poor or very poor visibilities in fog and drizzle resulting in poor navigation conditions. Cloud lifts during the afternoon, although a few patches of cloud remaining around 500m. Visibilities improving in the afternoon, although briefly dropping down in any isolated patches of slight rain or showers into the evening.
